

1. BACKGROUND

OPTION 1

If you are wearing light clothes, then position yourself in front of a neutral dark background.

OPTION 2

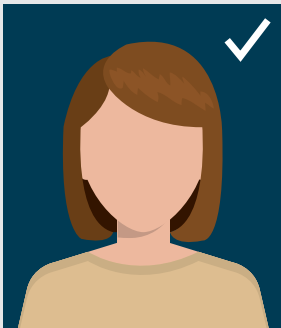

If you are wearing dark clothes, then position yourself in front of a neutral light background.

2. LIGHTING SOURCE

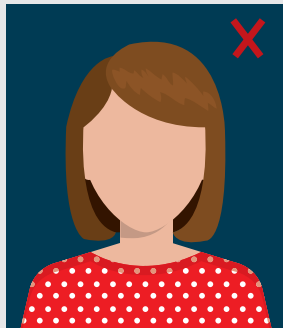

Stand in a well lit room and use an additional lighting source from the right, e.g. a lamp or a window. Do not stand with a window behind you, or a brighter light source than is in front of you.

3. CLOTHING

Wear neutral, solid colours.
No bright colours or patterns.

4. CROPPING

Crop with enough space above and to the side of the heads. The person taking the photo must stand at the correct distance and not use the zoom function.

5. CLARITY

Ensure the photo is clear and not blurred or covered in shadows.

6. FILE SIZE

Do not WhatsApp the photograph, as it reduces the resolution.
Email the high-resolution photograph to marketing@ocorian.com for etching.
